

# North Florida Transportation Planning Organization

## Agenda Book

10:00 am  
Thursday, September 10, 2020

North Florida TPO Board Room  
980 North Jefferson St.  
Jacksonville, FL 32209

- Call to Order
- Invocation
- Pledge of Allegiance
- Introductions
- Public Comment

### **Consent Agenda**

**1. North Florida TPO Minutes of August 13, 2020**

**APPROVE**

These minutes are ready for review and approval.

### **TPO Agenda**

**A. Finance Committee Report**

Information  
Only

- July Monthly Financial Statement

**B. DRAFT Project Recommendations for SU Funding for FY 2021/22 through FY 2025/26**

Information  
Only

A memo identifying projects for SU funding is included in Section B.

**C. DRAFT Project Recommendations for CMAQ Funding for FY 2021/22 through FY 2025/26**

Information  
Only

A memo identifying projects for CMAQ funding is included in Section C.

**D. Smart North Florida Update**

Information  
Only

**E. Executive Director's Report**

Information  
Only

**F. Secretary of Transportation’s Report**

Information  
Only

**G. Authority Reports**

Information  
Only

**H. Old Business**

**I. New Business**

- Bylaws Committee

**J. Public Comment**

**K. Adjourn**

**L. Information**

- Status Report of FDOT Projects in the North Florida TPO area

**The next meeting will be October 8, 2020**

**NOTICE**

In accordance with Section 286.01105, *Florida Statutes*, any person wishing to appeal a decision reached at this meeting will need a record of the proceedings. He may need to ensure that a verbatim record of the proceedings be made, which record would include the testimony and evidence upon which the appeal is to be made.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Marci Larson at 904-306-7513 at least seven days prior to the meeting.

# **Agenda Item 1.**

**Minutes of August 13, 2020 Meeting**

***Approve***

**NORTH FLORIDA TPO BOARD**  
**MEETING SUMMARY**

Thursday, August 13, 2020 - 10 a.m.  
**VIRTUAL MEETING (via Zoom)**

**MEMBERS PRESENT:**

Charlie Latham, Beaches Communities, **Vice Chairman**  
Daniel Bean, JAXPORT  
Wayne Bolla, Clay County Commission, **Treasurer**  
Mike Cole, Nassau Ocean Highway & Port Authority  
Kevin Holzendorf, JTA Board  
Diane Hutchings, Clay County Commission  
Steve Kira, St. Augustine/St. Johns County Airport Authority  
Danny Leeper, Nassau County Commission  
Sam Newby, Jacksonville City Council  
Nancy Sikes-Kline, City of St. Augustine  
Randy White, Jacksonville City Council

**MEMBERS ABSENT:**

James Johns, St. Johns County Commission, **Chairman**  
Randy DeFoor, Jacksonville City Council  
Patrick Kilbane, Jacksonville Aviation Authority  
Scott Wilson, Jacksonville City Council (for Mayor Lenny Curry)

**NON-VOTING ADVISOR ABSENT:**

Greg Evans, Florida Dept. of Transportation

**EX-OFFICIO MEMBERS PRESENT:**

James Bennett, Baker County Commission  
Matt Schellhorn, US Navy (for Captain Brian Weiss)

**OTHERS PRESENT:**

Jim Knight, FDOT  
Larry Parks, FDOT  
Karen Taulbee, FDOT  
April Bacchus, ETM  
Autumn Martinage, FDOT  
Cheryl Freeman, 321 Strategies, LLC  
Eron Thompson, JTA

Greer Gillis, JTA  
Jeremy Norsworthy, JTA  
Jim Knight, FDOT  
Justin Ryan, FDOT  
Soliman Salem, COJ  
Terry Shaw, HNTB  
Suraya Teeple, JTA  
Geanelly Reveron, JTA  
Martha Moore, Benesch  
Mark Manwell, ETM  
Carnell Oliver, Citizen  
Laurie Santana, COJ  
Taylor Mejia, Gilmore Hagan

**TPO STAFF PRESENT:**

Jeff Sheffield, Executive Director  
Denise Bunnewith, Planning Director  
Elizabeth DeJesus, Transportation Programs Manager  
Wanda Forrest, Transportation Planning Manager  
Marci Larson, Public Affairs Manager  
Milton Locklear, Transportation Planner/Modeling Specialist  
Jennifer Lott, Executive Assistant  
Kristen Sedlak, Receptionist  
Angela Session, Chief Financial Officer

**CALL TO ORDER**

Vice Chairman Latham called the meeting to order at 10:02 a.m. James Bennett led the invocation and Vice Chairman Latham led the Pledge of Allegiance. Jennifer Lott read each participant's name for the record.

**PUBLIC COMMENT**

Mr. Sheffield informed the committee that if anyone has a comment and does not wish to speak email Marci Larson at [mlarson@northfloridatpo.com](mailto:mlarson@northfloridatpo.com). Ms. Larson will read the comment for the record during the *Public Comment* portion of the meeting.

Carnell Oliver  
8527 Oakleaf Road  
Jacksonville, FL

Mr. Oliver is interested in getting a commuter rail system up and running and improving and expanding the existing transportation services within the region. Mr. Oliver believes that it is smarter and more cost effective to expand transit

services instead of widening roads. He would like to initiate a conversation with the six counties, as well as Flagler and Alachua counties.

### **CONSENT AGENDA**

▶ 1. **NORTH FLORIDA TPO MINUTES OF JUNE 11, 2020**

▶ 2. **CAC MEMBERSHIP APPROVAL REQUESTED**

- Approval is requested for Travis Christensen representing Clay County At-large. His application is included in Section 2.

**Daniel Bean moved to approve the Consent Agenda; Kevin Holzendorf seconded; motion unanimously carried.**

### **AGENDA**

▶ A. **FINANCE COMMITTEE REPORT**

Representing the Finance Committee, Angela Session reported that the May and June financials have been accepted.

▶ B. **FDOT REQUESTS AMENDING THE FY 2019/20 – FY 2023/24 TRANSPORTATION IMPROVEMENT PROGRAM (TIP)**

Autumn Martinage presented the amendment to the Transportation Improvement Program (TIP) for FY 2019/20 through FY 2023/24 for approval.

#### **Duval County**

- **439468-1** – SR 115 (Southside Boulevard) at Deerwood Park Intersection Improvement
- **441194-2** – SR A1A at 2<sup>nd</sup> Avenue North Pedestrian Safety Improvement

Ms. Martinage asked for questions. There were no questions at this time.

**Kevin Holzendorf moved to approve the FDOT's request to amend the Transportation Improvement Program (TIP) for FY 2019/20 through FY 2023/24; Daniel Bean seconded; motion unanimously carried.**

▶ C. **FDOT REQUESTS AMENDING THE FY 2020/21 – FY 2024/25 TRANSPORTATION IMPROVEMENT PROGRAM (TIP)**

Autumn Martinage presented the amendment to the Transportation Improvement Program (TIP) for FY 2020/21 through FY 2024/25 for approval.

## **Duval County**

- National Park Service (NPS)/Timucuan Ecological and Historical Preserve Bike and Pedestrian Study
- NPS/Timucuan Ecological and Historical Preserve Safety and Facility Improvements – St. Johns Ferry

Ms. Martinage asked for questions. There were no questions at this time.

**Wayne Bolla moved to approve the FDOT's request to amend the Transportation Improvement Program for FY 2020/21 through FY 2024/25; Mike Cole seconded; motion unanimously carried.**

### **► D. FDOT REQUESTS AMENDING THE FY 2020/21 – FY 2024/25 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) TO INCLUDE PROJECTS IN THE ROLL FORWARD REPORT**

Autumn Martinage presented the amendment to the FY 2020/21 – FY 2024/25 Transportation Improvement Program (TIP) to include projects in the Roll Forward Report.

Ms. Martinage asked for questions. There were no questions at this time.

**Nancy Sikes-Kline moved to approve the FDOT's request to amend the FY 2020/21 – FY 2024/25 Transportation Improvement Program (TIP) to include projects in the Roll Forward Report; Daniel Bean seconded; motion unanimously carried.**

### **► E. AMENDMENT OF THE UNIFIED PLANNING WORK PROGRAM (UPWP) FOR FY 2020/21 – FY 2021/22 (REALLOCATION OF FUNDS)**

Angela Session presented the amendment of the Unified Planning Work Program (UPWP) for FY 2020/21 through FY 2021/22 (Reallocation of Funds).

Task 5.32 Clay County Pavement Management Pilot program was added to the FY 2020/21 UPWP because there was a strong possibility that the task would carry over from FY 2019/20 due to the COVID-19 shut downs. The consultants were able to complete the program before June 30 eliminating the necessity for the task in the FY 2020/21 UPWP. The funds are being reallocated to Task 1.5 General Consultant Services until another purpose can be established.

Task 7.3 Transit Planning for the St. Augustine UA was inadvertently underfunded. There will be a TDP Major Update this year that will require an additional \$50,000 of funding. This portion of the amendment will take \$7,680 of FTA funds from Task 1.5 General Consultant Services and \$42,320 from Task 1.1 and reallocate them to Task 7.3.

Ms. Session asked for questions. There were no questions at this time.

**Nancy Sikes-Kline moved to approve the TPO's request to amend the Unified Planning Work Program (UPWP) for FY 2020/21 through FY 2021/22 to reallocate funds; Daniel Bean seconded; motion unanimously carried.**

► **F. APPROVAL OF THE REVISED CONTINUITY OF OPERATIONS PLAN (COOP)**

Denise Bunnewith presented the update of the Continuity of Operations Plan (COOP).

In 1988, an Executive Order was issued requiring MPOs to prepare a COOP. The COOP is intended to ensure the continuity of essential office functions if a major event, emergency or disaster occurs. It also provides critical instruction to staff in an emergency.

During the H1N1 pandemic in 2009 the North Florida TPO revised the COOP to address pandemic flu. With the ongoing COVID-19 pandemic further revision is needed to address:

- Remote working for staff
- Virtual meetings for the Board and committees
- The authority of the Executive Director and Executive Committee to act on behalf of the full Board when circumstances prevent in-person or virtual meetings.

Ms. Bunnewith asked for questions. There were no questions at this time.

**Kevin Holzendorf moved to approve the revised Continuity of Operations Plan (COOP); Daniel Bean seconded; motion unanimously carried.**

**G. ROADBOTICS PAVEMENT PRESENTATION**

Terry Shaw of HNTB gave a brief presentation on the RoadBotics Pavement project.

Mr. Shaw asked for questions.

- Wayne Bolla commented that he worked at CSX and this is how we determined which pieces of track needed to be replaced. When you blend this approach with the people eyeballing the projects, that is where we have work to do to convince people that this provides real benefit. Mr. Bolla would like to know the cost for a total system rollout. He really supports the use of this tool.

## **H. FLORIDA TRANSPORTATION PLAN UPDATE**

Karen Taulbee of FDOT gave a brief update on the Florida Transportation Plan.

Ms. Taulbee asked for questions. There were no questions at this time.

## **H. SMART NORTH FLORIDA UPDATE**

Jeff Sheffield gave the following update.

- We continue to test different technologies to improve our everyday efficiencies and create opportunities for our member communities to assess if there is value in moving forward with them.
- Hack-a-Thon – Another Hack-a-Thon is being planned for the end of August or beginning of September in the Healthy Foods space in a partnership with Baptist and UF Health and some other non-profit organizations within Northeast Florida.
- Smart North Florida is being created as a 501(c)(3). This effort has expanded to include healthcare, education, environment, safety, etc. It is important that this be established as a separate entity so the TPO can have the flexibility to advance the initiatives.
  - Daniel Bean wanted to know if Smart North Florida will be a separate corporate entity, and how will the accounting and office support be done.

Mr. Sheffield responded that Smart North Florida will be a separate corporate entity. The North Florida Clean Fuels Coalition is also a separate entity that we as staff provide the accounting and support for separately. We envision this to operate the same way.

- We are now having a conversation with an international accelerator named Techstars. We would be developing a turnkey program that leverages innovators world-wide and brings them into our community for a 90-day mentorship and development program that focuses on their solutions and connects them with investment opportunities moving forward.

## **I. EXECUTIVE DIRECTOR'S REPORT**

Mr. Sheffield informed the group that the Executive Order has been extended through October. Once the Executive Order ends, we are prepared to transition to a hybrid environment that will require an in-person quorum with the remainder

of the participants attending virtually. The TPO has taken all the necessary precautions for members to participate in-person.

Mr. Sheffield informed the group that an action to permit virtual members to vote will need to be taken at the beginning of the meeting.

Next month staff will present the draft project recommendations for SU and CMAQ funding as information.

#### **J. SECRETARY OF TRANSPORTATION'S REPORT**

Larry Parks informed the Board that FDOT District 2 staff have been telecommuting since the onset of the pandemic. We have been very efficient in keeping projects moving forward and holding virtual meetings. FDOT offices will remain closed to the general public until further notice.

The Revenue and Estimating Conference was held on August 7.

#### **K. AUTHORITY REPORTS**

**Daniel Bean – JAXPORT** – All but three of the fireman that were injured in the Golden Ray fire have returned to work. The vessel will remain until a removal plan has been finalized. NTSB investigation is ongoing. The Jacksonville City Council unanimously approved award of a \$35 million grant and a \$40 million loan for the anticipated harbor deepening project in 2023. The City has also earmarked an additional \$35 million in the FY 2021 budget. Carnival cruise line has extended its service suspension through October. JaxPort and Volkswagon have extended their agreement for another three years.

**Mike Cole – Nassau County Ocean Highway and Port Authority** – Tonnage last month was one of the best of the year. The cruise ship that was docked with us has departed and will head to Europe or Asia. The large recovery cranes will be docked with us while the Golden Ray is being dismantled.

**Kevin Holzendorf – Jacksonville Transportation Authority** – JTA announced a public-private partnership July 10 with the Go Tuk'n, an event and urban transportation company, to offer shuttle service in Downtown, Riverside, and Avondale. The new Tuk'n Ride program provides stop-to-stop paid shuttle service starting at \$2 per trip to allow Jacksonville residents and visitors to visit neighborhood businesses and restaurants outside the Downtown core without worrying about parking using the company's authentic European, ecofriendly Tuk Tuks and new Tuk'n Bus.

The JTA announced a new partnership July 13 with Miles, a universal rewards platform and app that allows people with a smartphone to earn miles as they travel, to reward customers for riding JTA services. Users who choose alternative

modes of travel or eco-friendly forms of transportation such as walking, biking, carpooling or JTA transportation services earn rewards redeemable with merchants, retailers and transportation providers across categories.

JTA received a \$5.2 million grant July 24 from the FTA's Passenger Ferry Program for the St. Johns River Ferry. The money will be used to overhaul the Jean Ribault ferry boat along with other ongoing maintenance and improvement projects.

Last week, the JTA in partnership with Baker and St. Johns Counties launched two new Express Select services, the Baker Express Select (August 4) and St Johns Express Select (August 6), to provide a seamless connection for commuters traveling to and from downtown Jacksonville from surrounding communities.

- The Baker Express Select provides a connection from the Baldwin Park-n-Ride to the JRTC while the St. Johns Express Select provides a connection between the St. Johns Government Complex and the JRTC. These premium commuter shuttle services offer executive-style seating, complimentary Wi-Fi and wheelchair access.

JTA learned that the USDOT/FTA announced a \$14.4 million CARES Act award to the JTA August 6, which completes all of the funding we as an Authority were able to receive.

- We received our first award of \$15.2 million in May and then \$12.9 million in July – a total now of \$42.5 million.

We then finished last week with the announcement that the FTA is awarding \$464 million to 96 projects in 49 states for the Buses and Bus Facilities Program. JTA will receive \$11.9 million of this award.

- This award furthers the JTA's initiative of improving the safety, reliability and sustainability of the JTA's infrastructure for our customers and employees.
- In addition to replacing eight diesel buses with CNG buses which will be better for the environment, we can upgrade some of the most pressing state of good repair needs at the JTA's Myrtle Avenue Operations Campus.
- This includes replacing mobile column lifts for bus repairs; replacing and upgrading of 21 bay doors from manual to electric; rehabilitating the bus wash facilities, including upgrades for waste, oil and plumbing systems; replacing exhaust fans, generators, HVAC and other maintenance and facilitates needs.

**Steve Kira – St. Augustine – St. Johns County Airport Authority –** Operations until March month end were 107 percent; however, by July monthly operations were down to 80 percent due to the COVID-19 and the continuous afternoon thunderstorms. The Volaire Air Service Forum is rescheduled for January 20-22, 2021. The annual budget is complete with zero dollars on the tax rolls. The budget will be presented to the public in September.

**Matt Schellhorn – US Navy (for Captain Brian Weiss) –** The Yorktown milling and repaving project started Monday and should not impact traffic on US 17. The USS St. Louis was commissioned last Saturday. It is the eighth littoral combat ship to be housed at Mayport, with 12 ships anticipated by 2023. Met with staff to discuss the scoping meeting for the SR A1A Resiliency Study.

**L. OLD BUSINESS**

None at this time.

**M. NEW BUSINESS**

None at this time.

**N. PUBLIC COMMENT**

**O. ADJOURNMENT**

There being no further business, the meeting was adjourned at 11:18 a.m. The next TPO Board meeting will be September 10, 2020.

# **Agenda Item A.**

**Finance Committee Report**

# **Information**

- **Status Report of FDOT Projects in the North Florida TPO area**

# BAKER COUNTY

(as of 8/10/2020)

## Construction is Underway

**County Road 23A (Woodlawn Road)** Roadway improvements and shoulder work from County Road 125 to State Road 121 at a cost of \$1.9 million. Project began in March 2020. 4394971

**Interstate 10** Adding Intelligent Transportation System (ITS) between just west of Interstate 95 in Duval County to U.S. 90 in Leon County (D3). This is a 153-mile project that began in late 2016 at a cost of \$31.7 million. Both phases of project are expected to be completed Winter 2019. (213272-8-52-01)

## Projects in Five-Year Work Program (Adopted Work Program 2019-2024)

**County Road 217** Resurfacing from Beech Street to Willie Griffis Road at a cost of \$2.8 million. Project will let in January 2021. 4434101

## Recently Completed Projects

**County Road 122** Permanent repairs from Hurricane Irma classified as ‘emergency operations,’ just west of County Road 127. Work began in September at a cost of \$32,000 and was completed November 2019. (4427241)

**County Road 23A (Woodlawn Road)** Permanent repairs from Hurricane Irma classified as ‘emergency operations.’ From Ben Rowe Circle to Dupree Road. Work began in September and cost is \$20,000 and was completed November 2019. (4427261)

**Interstate 10** Add lighting at County Road 229 interchange. Contract was executed in April 2019 and work began in September and was completed February 2020. Cost is \$922,000. (4350021)

**Interstate 10** Replaced sewage treatment system at rest area. WPC Industrial Contractors, LLC of Jacksonville began April 21, 2015 finished March 2016 at a cost of \$1,573,000. (2130042)

**Interstate 10** Add lighting to interchange with County Road 125 (Exit 333) in Glen St. Mary at estimated cost of \$1.6 million. Construction began in late August 2018. Ben Keen is FDOT project manager. (4350031)

**Interstate 10** Add lighting to interchange with U.S. 90 (Exit 324) in Olustee at estimated cost of \$1.6 million. Construction began in late August 2018.. Ben Keen is FDOT project manager.

(4350011)

**County Road 127 North** Repairs to the Bluff Creek Bridge from Tropical Storm Debby damage. Anderson Columbia Company of Lake City began September 8, 2014 and finished February 10, 2015 at a cost of \$344,793.65. (4328234)

**State Road 2** Resurfaced from the Columbia County line to the Georgia state line (14.7 miles). Anderson Columbia Company Inc., of Lake City began July 2015 and finished October 16, 2015 at a cost of \$6,196,552.04 (combined with project in Columbia County from the Baker County line to the Georgia line).(4233981)

**State Road 2** Repairs to bridges over Moccasin Creek, east prong of Moccasin Creek and Sleepy J Creek. Proshot Concrete, Inc., began in May, 2016 and was completed in February 2017 at a cost of \$825,208.14 (combined with I-75 Alapaha River bridge repairs). (2078942, 4321041)

**State Road 228** Intersection improvements at Lowder Street. Duval Asphalt was hired to complete the project at a cost of \$1.065 million. Project began in November 2016 and was completed in early 2017. Doug Cardin is project manager. (4324201)

**State Road 228** Resurfacing from from the Interstate 10 underpass to US 90 at a cost of \$1.8 million. Completed March 2020. (4376131)

**U.S. 90** Resurfaced from the Columbia County line to Sanderson (12 miles). Anderson Columbia Company Inc., of Lake City began March 9, 2015 and finished August 28, 2015 at a cost of \$4,199,999.48. (4305591)

**CLAY COUNTY**  
(as of 8/4/2020)

**Construction Underway**

**Blanding Boulevard (State Road 21)** Add lanes from Allie Murray Road to C.R. 220 (Long Bay Road) at estimated cost of \$19.1 million. A construction open house was held December 10, 2018 at Middleburg Civic Center. Project began construction January 16, 2019 and is expected to be completed in summer 2021. Contractor is R.B. Baker Construction. CEI is Kellie Loper of KCCS (352-494-1161). FDOT project manager is Rusty Cheshire. (2082118)

**Blanding Boulevard (State Road 21)** Add lanes and reconstruct 1.2 miles of roadway from County Road 218 to Black Creek Bridge at estimated cost of \$19.5 million. Project began construction in late February 2020 and is expected to be completed in fall 2021. Contractor is Sacyr Construction. CEI is Kellie Loper of KCCS (352-494-1161). FDOT project manager is Rusty Cheshire. (2082115)

**First Coast Expressway (State Road 23)** Construct 11.1 miles of new limited access toll road from north of S.R. 16 to north of S.R. 21 (Blanding Boulevard) at a cost of \$247.1 million. Construction began March 4, 2019. Contractor is Sacyr USA. CEI is Thomas Woods of HNTB. FDOT project manager is Joaquin Olivella. (4229386)

**First Coast Expressway (State Road 23)** Construct 9.7 miles of new limited access toll road from east of C.R. 209 to north of S.R. 16 at a cost of \$195.2 million. Construction began April 15, 2019. Contractor is Superior Construction. CEI is Kenny Geisendorff of VIA (904-424-5019). FDOT project manager is Taylor Byrd. (4229385)

**State Road 21** Project includes milling and resurfacing SR 21 from the Putnam county line to north of Commercial Circle in Keystone Heights. Portions of this project are in Bradford, Clay and Putnam counties. In addition to milling and resurfacing, the project improves the safety of the roadway by widening paved shoulders, improving lighting within Keystone Heights and adding mid-block crossings and bulb-outs. Construction began in June 2020 at a cost of \$6.9 million with completion expected in summer 2021. Contractor is Anderson Columbia. FDOT project manager is Alex Ruiz. (4393991)

**U.S. 17 at Governors Creek Bridge** Install sidewalk at a cost of approximately \$954,000. Project began construction July 6, 2020 and is expected to be completed in spring 2021. Contractor is Gosalia Concrete Construction, Inc. CEI is Rob Bendig at VIA. FDOT PM is Taylor Byrd. (4414061)

**Construction is Imminent**  
(Work is to begin within the year)

**Blanding Boulevard (State Road 21)** Resurfacing from State Road 16 to County Road 215 at a cost of approximately \$5.1 million. Project is expected to let in October 2020. (4411291)

**County Road 218 (Clay Elementary to Taylor Road)** Install sidewalk on approximately one half-mile of roadway at a cost of \$577,000. Project is expected to let in July 2020. (4373501)

### **Projects Under Consideration (Five-Year Work Program 2020-2022)**

**County Road 220** Add lanes and reconstruct County Road 220 from Henley Road to Knight Boxx Road at a cost of \$11.3 million. Project is scheduled to let in May 2021 and begin construction in August 2021. *A public hearing was held June 17, 2019.* (4307192)

**I-295 at U.S. 17** Widening and reconstruction of U.S. 17 (S.R. 15) from Collins Road in Duval County to South of Wells Road Intersection in Clay County. Additional improvements include ramp and intersection improvements at U.S. 17 and the I-295 off-ramps, Eldridge Avenue, Old Orange Park Road and Wells Road. Estimated project cost \$14.3 million. Project scheduled to let in October 2021 and begin construction in January 2022. FDOT project manager is Jessica Tippett. *Public hearing held on November 30, 2017.* (4355751)

### **Recently Completed Projects**

**Blanding Boulevard (State Road 21)** Improvements to the bridges over the South Prong and South Fork of the Black Creek Bridge. Construction began April 16, 2018 and was completed October 15, 2019. Commercial Industrial Corporation is the contractor. Patrick Gallagher is FDOT project manager. (4320121)

**Blanding Boulevard (State Road 21)** Sidewalk from north of Wells Road to Collins Road at estimated cost of \$1.3 million. Construction began January 3, 2019 and was completed October 22, 2019. Contractor is J.D. Hinson Company. CEI is Justin Morris of Target Engineering (352-278-4641). FDOT PM is Sheldon Cash. (4361351)

**State Road 15 (U.S. 17)** Resurface 2.5 miles of roadway from Black Creek Trail to Water Oak Lane at an estimated cost of \$5.5 million. Project expected began construction July 12, 2019 and was completed January 6, 2020. Contractor is Hubbard Construction. CEI is Timothy Brown of Adaptive Consulting Engineers (941-809-4154). FDOT project manager is Dan Lahey. (4393461)

**U.S. 301 SMO Test Track** Materials office two-mile road and load station construction from the Bradford County line to south of County Road 218 at estimated cost of \$10 million. Project began in November 2016 and was completed September 30, 2019. (4303521)

# DUVAL COUNTY

(as of 8/5/2020)

## Projects Under Construction

**Baldwin Bypass “Alternative Truck Route” (S.R 201 at U.S. 301)** New 4.1-mile, four-lane divided highway with two signalized intersections and railroad overpasses at \$6.1 million. Superior Construction began in March 2017 and is expected to be completed in fall 2020. CEI is Danny with GPI. FDOT PM is Robbie Gurganious. (2095371)

**Beach Boulevard (U.S. 90)** Traffic signal update from Parental Home Road to Cortez Road at estimated cost of \$3.4 million. Construction began February 22, 2019 and is expected to finish in summer 2020. Contractor is Florida Safety Contractors Inc. CEI is Hill International. FDOT PM is Jessica Tippett. (4324041)

**Beaver Street (State Road 10)** Resurface from east of Tyler Street to east of Eaverson Street at an estimated cost of \$3.5 million. Project began construction August 8, 2019 and is expected to be completed in fall 2020. Contractor is Maer Homes, Inc. CEI is Jonah VanDyke of Adaptive Consulting Engineers (813-424-8870). FDOT PM is Dan Lahey. (4412981)

**Buckman Bridge** Arterial Traffic Management at estimated cost of \$10.5 million. Project began in June 2019 and is expected to be completed in summer 2021. Contractor is Florida Safety Contractors, Inc. CEI is Dana Davis of CDM Smith. FDOT project manager is Guelmary Mendez. (4395241)

**Butler Boulevard (State Road 202) at San Pablo Road** Construction of diverging diamond interchange at an estimated cost of \$12 million. Project began construction January 6, 2020 and is expected to be completed in spring 2022. Contractor is Watson Civil Construction. CEI is Creative Engineering Group (904-314-3234). FDOT PM is Brian Kirts. (4394671)

**Howell Drive over Ribault River Bridge** Replacement project at \$11.8 million. Superior Construction Company began work in September 2018 and is expected to finish by late summer 2020. Andre Sutherland with GAI is CEI and John Patterson is FDOT PM. (4152501).

**I-10 at Chaffee Road (State Road 23)** This FDOTree landscaping improvement project began in August 2020 and is expected to be completed by spring 2021, not including a two-year establishment period. FDOT PM is Greg Perry. PA is Rick Roy with Eisman and Russo. (4436261)

**I-10 at U.S. 301** Build new eastbound ramp from U.S. 301 widening on I-10, ramp reconstruction and CSX bridge work. Superior Construction Company of Jacksonville started work in February 2016 and should finish in late 2020 at a cost of \$66 million. CEI is Pete Sheridan VIA/Shannon Mobley of GPI. Robbie Gurganious is FDOT project manager. (4288651)

**I-10 at County Road 217 (Yellow Water Road)** Replace Bridge No. 720361 at an approximate cost of \$7.95 million. Construction began in January 2020 and is expected to be completed late 2021. Contractor is Continental Heavy Civil Corporation. FDOT PM is Robbie Gurganious. (4372741)

**I-10 (State Road 8) Widening from I-295 to I-95** I-10 will be widened up to ten lanes from I-295 to I-95 at an estimated cost of \$128.4 million. Project time began Aug. 3, 2020 with construction expected to begin in October 2020. Superior Construction Inc. is the contractor. FDOT PM is Thomas Butler. (4391001)

**I-95 at I-295 North** Operational improvements including new flyover. Construction on \$176 million project began October 2016 and is scheduled for completion in fall 2021. Contractor is Archer Western. Brian Benton is FDOT project manager. (2133231)

**I-95 at I-10** Operational improvements began in spring 2017 and are scheduled to be completed in early 2021 at a cost of \$126 million. Brian Kirts/FDOT; CEI John Kemp/Eisman & Russo; contractor Archer Western. See [www.Your10and95.com](http://www.Your10and95.com) for details. (4330361)

**I-95 (Moncrief Creek to State Road 111)** Resurfacing of roadway and ramps from south of Norwood Avenue to Edgewood Avenue (State Road 111) at a cost of \$3.4 million. Construction began April 13, 2020 and is scheduled to be complete in spring 2021. Duval Asphalt is the contractor and the FDOT PM is Robbie Gurganious. (4398001)

**I-295 at Express Lanes** Update signs at estimated cost of \$3.9 million. Contractor is Florida Safety Contractors, Inc. CEI is CDM Smith. FDOT PM is Guelmary Mendez. Project began in June 2019 and is expected to be completed in winter 2021. (4381711)

**I-295 East Express Lanes** Add managed lanes from State Road 9B to Butler Boulevard (State Road 202). Archer Western Contracting began February 23, 2016 and should finish in fall 2020 at a cost of \$160 million. FDOT PM is Taylor Byrd. (2093013)

**I-295 East Beltway and SR 202 (JTB) Overpass Repairs** Painting and repairs of four overpasses at the I-295 East Beltway and Butler Boulevard (State Road 202). Overpasses on I-295 at Lee Road, St. Johns Bluff Road and Butler Boulevard will undergo \$3.4 million of rehabilitation, including painting and routine bridge repairs. The project began March 25, 2020 and is scheduled for completion in summer 2021. Tom Butler is FDOT PM and Elite Industrial Painting, Inc. is the contractor. (4372741)

**Hart Expressway (State Road 228)** Landscaping interchanges at Atlantic Boulevard (State Road 10), Alternate U.S. 1 and University Boulevard (State Road 109) at a cost of \$880,000. Project began May 2020 and is expected to be complete in spring 2022 (includes two-year establishment period). FDOT PM is Guelmary Mendez. (428756)

**Heckscher Drive (State Road 105)** Landscaping of approximately two miles of roadway between Gate Precast Road to west of the Broward River Bridge. Construction began August 7,

2020 and is expected to be completed in late 2020, with a two-year establishment period to follow. Sun State Nursery and Landscaping was selected to complete the \$860,000 project. (4436251)

**Jacksonville National Cemetery Access Road** New road construction at a cost of \$12.8 million. Project began June 24, 2019 and is expected to be completed in fall 2021. Contractor is Anderson Columbia. FDOT PM is James Salter. (4284551)

**Overland Landscaping** Various tree plantings and hardscape installations along the downtown I-95 corridor from north of Emerson Street to the foot of the Acosta and Main Street bridges started in summer 2019. The project includes landscaping of five retention ponds, ramps, medians and right of way within the Overland Bridge area, including ramps and medians off I-95 at Atlantic Boulevard and Philips Highway (U.S. 1). The \$2.1 million project is expected to be complete in summer 2021 (includes two-year establishment period). Midwestern Construction, Inc, is the contractor and Guelmary Mendez is the FDOT PM. (4376971)

**Philips Highway (State Road 5) at Reba Avenue and Putnam Avenue Intersection Improvements** Construction began in August 2020 and is expected to be complete by spring 2021. FDOT PM is John Patterson. CEI is Steve Aronow with Hill International. Traffic Control Devices Inc is the contractor for this \$2.1 million project. (4359811)

**State Road 5 at Prudential Drive (U.S. 1) Bridge** Rehabilitation and cleaning improvement project began in August 2020 and is expected to be completed by summer 2021. FDOT PM is Brian Kirts. CEI is Tray Hartwell with GPI. Extreme Sandblasting and Painting, Inc. is completing the \$1.6 million project. (4284891)

**San Jose Boulevard (State Road 13)** Upgrade traffic signals from Julington Creek Road to Mandarin Road (2.1 miles) at estimated cost of \$2.7 million. Construction began June 2019 and is expected to be completed summer 2020. Contractor is Florida Safety Contractors. FDOT PM is Brian Benton. (4323961)

**San Jose Boulevard/Hendricks Avenue (State Road 13)** Landscaping from La Vaca Road to Dunsford Road at a cost of \$600,000. Project began construction in June 2020 and is expected to be completed in late 2020 with a two-year establishment period. Contractor is Lafleur Nurseries. CEI is Mark Hosch of Consor Engineering. FDOT PM is Guelmary Mendez. (4412961)

**State Road A1A (Heckscher Drive) at Fort George Inlet Park** Landscaping and berm construction with heavy planting designed to guide flying birds over the new landscaping and away from traffic at a cost of \$377,000. Construction began in June 2020 and is expected to be completed in fall 2020 with a two-year establishment period. Contractor is Lafleur Nurseries and Garden Center, LLC. CEI is Mark Hosch of Consor Engineering. PM is Guelmary Mendez. (4412831)

**Third Street (State Road A1A)** Drainage improvements from Seagate Avenue to Beach Boulevard at a cost of \$24 million. Project began spring 2018 and is expected to be completed in

early 2021. Contractor is De Moya Group. Rory Highstone at RS&H is CEI. FDOT PM is Dan Lahey. (4360771)

**University Boulevard (State Road 109)** Traffic signal update from State Road 13 to Cesery Boulevard at estimated cost of \$4.1 million. Contractor is Traffic Control Devices, Inc. CEI is Hill International. FDOT PM is John Patterson. Project is scheduled to be completed in late 2020. (2096831)

**Wonderwood Drive (State Road 116)** at Intracoastal Waterway. Bridge repairs at cost of \$5.4 million. Work began in September 2017 and is expected to be complete in summer 2020. Contractor is M&J Construction. CEI is Parsons. FDOT PM is Thomas Butler. (4374291)

**Construction is Imminent  
(Work is to begin within the year)**

**Beach Boulevard (State Road 212) Pedestrian Channelization Barrier** Installation of approximately 900 feet of a three-foot cement pedestrian barrier wall in the existing median at the western foot of the Commodore Point Expressway at Beach Boulevard (State Road 212 from Parental Home Road and El Prado Road. The \$652,000 project also includes installing new directional signage for Beach Boulevard and the Hart Bridge. Work is scheduled to begin in September 2020 and be complete in October 2020. Contractor is CDM Contracting, Inc. FDOT PM is John Patterson. (4395891)

**Heckscher Drive (State Road 105)** Replace Myrtle Creek Bridge at estimated cost of \$3.6 million. Project lets in May 2020 with construction estimated to begin in December 2020. FDOT PM is Robbie Gurganious. (4340421)

**Heckscher Drive (State Road 105)** Replace Simpson Creek Bridge at estimated cost of \$3.2 million. Project lets in May 2020 with construction estimated to begin in December 2020. FDOT PM is Robbie Gurganious. (4340411)

**I-295 at Dames Point Bridge** Electrical and lighting work at a cost of \$4.4 million. Project is expected to begin construction in October 2020. Contractor is J.D. Hinson Electrical Contracting, Inc. CEI is Don Buwalda of GPI. FDOT PM is Thomas Butler. (2097225)

**I-295 at Collins Road** Widening ramps, extending turn lanes and making interchange improvements at estimated cost of \$6.3 million. Project is expected to begin construction in August 2020 with completion in late 2021. FDOT PM is Clint McCraw. CEI is Rory Highstone with RS&H. Contractor is J.B. Coxwell. (4394841)

**Southside Connector (State Road 113)** A resurfacing and roadway improvement project along the Southside Connector (State Road 113) from the Arlington Expressway (State Road 115) to I-295 is scheduled to begin in September 2020. Improvements include shoulder treatments, drainage, curb and gutter, traffic signals, highway signage, guardrail repairs and sidewalks and

bicycle paths. Duval Asphalt Products, Inc. is the contractor for the 400-day, \$8.7 million project. (4376111)

**State Road A1A (Timucuan Trail from Big Talbot Island to Little Talbot Island)** Construct 1.5-mile bike path at estimated cost of \$2.1 million. Project lets in May 2020. (4356191)

**State Road 10 (Atlantic Boulevard) at San Pablo River** Repair and rehabilitation of the bridge over the Intracoastal Waterway on eastbound Atlantic Boulevard. Project cost is estimated at \$2.6 million. Project is scheduled to begin in September 2020. Seacoast Incorporated is the contractor. CEI is Don Buwalda of GPI. FDOT PM is Dan Lahey. (4338411)

**State Road 115 over Trout River** Repair/rehabilitate Bridge No. 720033 at estimated cost of \$2.7 million. Project is scheduled to begin construction in October 2020. Contractor is Engineer Control Systems. FDOT PM is Guelmary Mendez. (4374371)

### **Projects in Five-Year Work Program (Adopted Work Program of 2019-2023)**

**Arlington Expressway (State Road 10A)** Steel repairs to the Mathews Bridge in 2021/22 at estimated cost of \$2.6 million. (4345141)

**Beach Boulevard (U.S. 90)** Traffic signal update from San Mateo Street to Marion Road in 2020/21 at estimated cost of \$1.4 million. (4324031)

**Edgewood Avenue (State Road 111)** Paint the bridge over the Norfolk Southern and CSX Railroad. Project bids in 2021 at estimated cost of \$390,000. (4312244)

**I-95 at Airport Road** Interchange improvement project from Duval Road to Airport Center Drive. Watson Civil Construction was selected to begin the \$11.1 million project. Project began in July and was completed in July 2020. Andre Sutherland with GAI is the CEI (904-559-8081) and John Patterson is FDOT project manager (2093652).

**I-95 to West of Old St. Augustine Road Interchange** Landscape at programmed cost of \$1.9 million. Project bids in January 2021. Guelmary Mendez is FDOT project manager. (4377281)

**Normandy Boulevard (State Road 228)** Upgrade traffic signals from Lamplighter to Cassat Avenue (State Road 111) in 2020/21 at estimated cost of \$2.9 million. (209648)

**University Boulevard (State Road 109)** Update traffic signals from Los Santos Way to Merrill Road (1.5 miles) at estimated cost of \$1.5 million. FDOT PM is James Salter. Project scheduled to let June 2022. (4324011)

### **Recently Completed Projects (within the past year)**

**Atlantic Boulevard (State Road 10) at Queens Harbor** Traffic signal improvements at the intersection of Queens Harbor Boulevard and Atlantic Boulevard. Improvements include new vehicular and pedestrian signals, crosswalks, signage, enhanced lighting and sidewalk and curb and gutter at a cost of \$421,000. Construction began in January 2020 and was completed in June 2020. PowerCore is the contractor. FDOT PM is James Salter. (4411951)

**Arlington Bridge (State Road 113)** Painting and repair at estimated cost of \$2.7 million. Project began January 2019 and was completed Dec. 4, 2019. Contractor is Seminole Equipment, Inc. CEI is Kevin Bankston/HNTB. FDOT project manager is Brian Kirts. (4302591)

**Arlington Expressway (State Road 115) Service Road** Add sidewalk along Arlington Expressway service road at cost of \$968,023. Construction began in September 2019 and was completed in June 2020. Contractor is J.B. Coxwell, Inc. FDOT PM is Sam Lansdale. (4343331)

**Arlington Expressway (State Road 115)** Add sidewalk along Arlington Expressway at cost of \$954,923. Contractor J.B. Coxwell, Inc. began construction in September 2019 and completed it in June 2020. FDOT PM is Sam Lansdale. Goes with 4343331. (4410621)

**Baymeadows Road** Landscaping from Prominence Parkway to Deerwood Crossing Drive at a cost of \$567,000. Oasis Landscaping Services Inc. is the contractor. Consor Engineering is CEI and Sheldon Cash is FDOT PM. Work began in late July 2019 and was completed in October 2019 with a two-year establishment period. (4359311)

**Beach Boulevard (U.S. 90)** Landscaping from Parental Home Road to St. Johns Bluff Road at a cost of about \$827,000. Work began June 21, 2019 and was completed in late 2019. Oasis Landscaping Services Inc. is the contractor; Mark Hosch of Consor Engineering is CEI; Guelmary Mendez is FDOT project manager. (4395031)

**Blanding Boulevard (State Road 21)** Update signals from Collins Road to Park Street at cost of \$2.9 million. Construction began August 20, 2018 and was completed in April 2020. Contractor is Conti Corporation. FDOT PM is John Patterson. (4307601)

**Blanding Boulevard (State Road 21)** Sidewalk from north of Wells Road to Collins Road at estimated cost of \$1.3 million. Construction began January 3, 2019 and was completed October 22, 2019. Contractor is J.D. Hinson Company. CEI is Justin Morris of Target Engineering (352-278-4641). FDOT PM is Sheldon Cash. (4361351)

**Cassat Avenue (State Road 111)** Resurfacing from Blanding Boulevard (State Road 21) to Lenox Avenue at estimated cost of \$5.5 million. Contractor is Anderson Columbia, Inc. FDOT PM is Dan Lahey and CEI is Kenny Geisendorff of VIA (904-424-5019). Construction began April 20, 2018 and was completed September 19, 2019. (4361741)

**Cassat Avenue (State Road 111)** Traffic signal update at San Juan Avenue at estimated cost of \$362,000. Contractor is PowerCore, Inc. FDOT PM is Dan Lahey. Project began construction in September 2019 and was completed Nov. 26, 2019. (2095652)

**Chaffee Road (County Road 115)** Add lanes at Normandy Boulevard (State Road 228) at estimated cost of \$2 million. Project began construction April 5, 2019 and was completed in January 2020. Contractor is R.B. Baker Construction Company. FDOT PM is Guelmary Mendez. (4358371)

**Districtwide ITS Push-Button** project began September 13, 2018. This \$1.5 million project involves six locations: Wilson Avenue from Blanding Boulevard to I-295; Philips Highway from Industrial Parkway to Race Track Road; Baymeadows Road from San Jose Boulevard to Craven Road; San Jose Boulevard to Julington Creek Road; Southside Boulevard from Atlantic Boulevard to Beach Boulevard; San Pablo Road to 28 North Main Street. FDOT PM is James Salter and Pete Vega for ITS. Project was completed September 12, 2019. (4388761)

**Edison Avenue** Replacing the McCoy's Creek Bridge at estimated cost of \$2 million. Project began construction October 2018 and was completed October 14, 2019. Contractor is GDB-US Constructors, Inc. FDOT project manager is Brian Kirts. (4092671)

**Hart Expressway Bridge over Beach Boulevard (SR 228)** Rehabilitation project includes coating of steel beams, minor repair of expansion joints, drainage improvements and replacement of bearing pads. The \$1.1 million project began April 23, 2018 and is was completed July 19, 2019. CEI is Matt Kuhn with Parsons. Tom Butler is FDOT PM.

**Heckscher Drive (State Road 105)** Resurfacing from Busch Drive to Fuel Farm at estimated cost of \$3 million. Contractor Preferred Materials Inc. began construction May 17, 2019 and was completed Nov. 8, 2019. FDOT PM is John Patterson. (4376151)

**I-295 West** Resurfacing from Trout River to Biscayne Boulevard began May 2018 at an estimated cost of \$7.9 million and was completed in February 2020. The CEI is Patricia Waller with GFI and FDOT PM is James Salter (4288071).

**Interstate Wrong Way Push Button** Install signs and pavement markings on Northeast Florida's interstate off-ramps to reduce instances of wrong way drivers. Contractor is James D. Hinson Electrical Contracting Company, Inc. Project started November 2017 at a cost of \$1 million and was completed in late 2019. Scott Lent is FDOT PM. (4373792)

**Lem Turner Road (State Road 115)** Paint northbound bridge over the Ribault River at estimated cost of \$870,000. Contractor is Seminole Equipment, Inc. Don Buwalda of GPI is CEI. Brian Benton is FDOT PM. Construction began February 20, 2019 and was completed October 29, 2019. (4284981)

**New Kings Road (U.S. 1/State Road 23)** Resurface from Edgewood Avenue to Trout River Boulevard at estimated cost of \$6.1 million. Contractor Duval Asphalt began construction in September 2018 and completed the project in March 2020. CEI is Patricia Waller with GFI. FDOT PM is Brian Kirts. (4361631)

**New Kings Road (U.S. 1)** Resurfacing from north of State Road 104 to Nassau County line at estimated cost of \$5.3 million. Contractor is Hubbard Construction Company. Project began construction in May 2019 and was completed March 5, 2020. (4373211)

**St. Johns Avenue (State Road 211)** Fishweir Creek Bridge repair at estimated cost of \$1.1 million. Contractor is Sieg & Ambachtsheer, Inc. FDOT PM is Brian Kirts. Project began construction in February 2019 and was completed in January 2020. (4339121)

**State Road 243/Pecan Park Road** Adding extra lane in both directions, sidewalk, drainage, pier protection and ramp widening from I-95 to Lexington Park Boulevard at a cost of \$14 million. Open House was held June 12, 2017. The project started in late June 2017 and was completed in December 2020. RS&H is the CEI and Petticoat Schmitt is the contractor. (4337301)

**University Boulevard (State Road 109)** Drainage improvements from Spring Park Road to Barnes Road at estimated cost of \$2.8 million. Construction began November 2, 2018 and was completed October 16, 2019. The contractor is SEMA Construction, Inc. CEI is Rory Highstone with RS&H. FDOT PM is Dan Lahey. (4330751)

**University Boulevard (State Road 109)** Intersection improvements from Bartram Drive East to Cesery Boulevard. FDOT PM/Jessica Tippett; Steve Aronow with Hill International/CEI. The \$2.5 million project began January 2019 and was completed in July 2020. (4326481)

**Wonderwood Drive (State Road 116)** Drainage improvements from Wompi Drive to Gately Road at a cost of \$7.3 million. The project began in August 2018 and was completed November 15, 2019. Parsons is CEI and Sam Lansdale is the FDOT PM. (4287961)

Last Updated: 6/11/2020

## Construction is Underway

**State Road A1A** Adding lanes from west of Interstate-95 to west of Still Quarters Road, including a reconfiguration of the interchange under Interstate-95 into a Diverging Diamond (2.2 miles). J.B. Coxwell Contracting, Inc., of Jacksonville began January 10, 2017 and should finish in 1040 days in fall 2020 at a cost of \$39,980,617.86. Bruce Boyles of Eisman & Russo is CEI project manager (904-733-1478). Michael Shaw/FDOT project manager. (2107112)

**State Road A1A** Adding lanes from west of Rubin Davis Lane to east of O'Neil Scott Road (County Road 107) and replacing the Lofton Creek Bridge (5 miles). Superior Construction Company Southeast, LLC of Jacksonville began January 24, 2016. The original contract is 1200 days with 49 additional weather/holiday/extra work and should finish in Summer 2020 at a cost of \$59,962,436.00. Kent Ponder/Carrie Smithheart of England, Thims & Miller is CEI project managers (904-642-8990). Michael Shaw/FDOT project manager. (2107124)

## Projects in Five-Year Work Program (Adopted Work Program 2018-2022)

**Chester Road** Add lanes from State Road A1A to Green Pine Road (2.3 miles) at estimated cost of \$10 million. Stephen Browning/project manager. (4260312)

**Kolars Ferry Road** Reconstruct road from Murrhee Road to Kings Ferry Road in 2017/18 at estimated cost of \$3.6 million. (4345491)

**Middle/Griffin Road** Resurface from Colby Drive to County Road 108 (6.4 miles) in 2015/16 at estimated cost of \$1.4 million. (4327981)

**South 14<sup>th</sup> Street** Resurface from Sadler Road to Amelia Island Parkway in 2017/18 at estimated cost of \$330,000. (4345881)

**Thomas Creek Road** Resurface from U.S. 301 to the Duval County line (4.2 miles) in 2015/16 at estimated cost of \$924,000. (4326041)

**U.S. 1** Resurface from Alligator Creek to the end of the curb and gutter in 2017/18 at estimated cost of \$12.2 million. (4361621)

## Recently Completed Projects (within the past year)

**Baldwin and St. George Road Bridge - Emergency Ops** Off system bridgework. Began August 2019. (442169)

**Interstate 95** Installing new Welcome to Florida sign and other state line gateway structures, drainage improvements, guardrail and landscaping at the Georgia state line. West Construction, Inc., began January 4, 2016 and should finish in 300 days (late 2016) at a cost of \$3,436,656.47 (combined with similar project in Hamilton County on I-75). Abraham Bah of GAI Consultants is CEI project manager (904-363-1115). Jason Bordner/FDOT project manager. (4354741)

**I-95 HVAC Welcome Center** Ongoing work to improve welcome center. (4386001)

**I-95 Roof Welcome Center** Ongoing work to improve welcome center. (4386061)

**Interstate 95** Install lighting at interchange with U.S. 17. Project was awarded to J.D. Hinson and began in March, 2017 at estimated cost of \$1 million. Bruce Boyles of Eisman & Russo is CEI project manager (904-733-1478). (4350051)

**U.S. 1** Resurfaced from the Duval County line (Thomas Creek Bridge) to Fifth Avenue in Callahan (4.3 miles). Duval Asphalt Products Inc., of Jacksonville began October 10, 2014 and finished August 22, 2015 at a cost of \$5,283,383.02. (4287111)

**U.S. 301** Added two lanes from the Duval County line to the four-lane just south of Callahan (14 miles). Anderson Columbia Company of Lake City began November 14, 2011 and finished August 22, 2015 at a cost of \$67,538,789.79 (includes adding lanes in Duval County from a point where the future Baldwin bypass intersects to the Nassau County line for a total of 17 miles). *The four-lanes were opened May 26, 2015.* (4295511)

**Andrews Road** Resurface from County Road 121 to U.S. 1 in 2015/16 at estimated cost of \$704,000. (4327671) Completed Spring 2019.

**State Road A1A at Citrona Drive (push button).** Crosswalk installation, on-demand rapid flashing beacons with additional street lights, new sidewalk curb ramps, two lane separators, added signage and striping. Project was awarded to American Signalization at a cost of \$150,000 and was completed in mid-February, 2017. Project manager was Sid Whichard (386-961-7032). (4093114)

**State Road A1A** Adding two lanes from west of Still Quarters Road to west of Rubin Davis Lane (1.5 miles). J.B. Coxwell Contracting, Inc., of Jacksonville began September 4, 2014. The original contract is 720 days with 263 additional weather/holiday/extra work was completed in May 2017 at a cost of \$18,473,682.36. Bruce Boyles of Eisman & Russo is CEI project manager (904-733-1478). Michael Shaw/FDOT project manager. (2107123)

**Hillard** Sidewalk improvements from Dayspring Village to County Road 121 in 2015/16 at estimated cost of \$700,000. (4372631)

**Interstate 95** Add Intelligent Transportation System (ITS) network from the Duval County line to U.S. 17 in 2017/18 at estimated cost of \$6.2 million. (4274751)

**State Road A1A** Resurface from the Amelia River Bridge to Centre Street in 2017/18 at estimated cost of \$5.6 million. (4361601)

# PUTNAM COUNTY

(as of 08/04/2020)

## **Construction is Underway**

**U.S. 17** Adding lanes from Horse Landing Road to west of Dunn's Creek Bridge at cost of \$38 million. The project includes widening the road from two to four lanes with a raised 22-foot grassed median, curb and gutter, bicycle lanes, a sidewalk on the west side of the roadway and a 12-foot wide multi-use path on the east side. In addition, the existing Dunn's Creek Bridge structure will be converted to northbound traffic and a new southbound traffic structure will be built adjacent to it. Construction began late February 2018 and is scheduled for completion in summer 2021. ETM is the CEI and Taylor Byrd is the FDOT Project Manager. (4354441)

**State Road 20** Add lanes from 56<sup>th</sup> Avenue to County Road 315 in Interlachen at estimated cost of \$33 million. (Segment 3). Construction began in late May 2019 and is estimated for completion in summer 2021. Open house was held April 23 4:30 p.m. to 6:30 p.m. at the Interlachen Community Center on County Road 315. Donnie Devenny is the construction Project Manager. David Weintraub with JEACES. (2100245).

**State Road 20** Add lanes from Alachua County line to 56<sup>th</sup> Avenue at estimated cost of \$49 million. (Segment 2) is scheduled to begin in January 2020 and be completed in late 2022. Anderson Columbia is the selected contractor. Nelson Bedenbaugh is the FDOT Design Manager. Donnie Devenny is the FDOT Project Manager. CEI David Weintraub with JEACES (2100244). The construction open house was held Thursday, December 5 4 to 6 p.m. at 1987 State Road 20 Hawthorne, FL.

**State Road 20** resurfacing and traffic signal updates on Crill Avenue from Palm Avenue to Osceola Street for \$1.5 million. The project is scheduled to begin in January 2020 and was completed in June 2020. Donnie Devenny is the FDOT Project Manager. (4390801)

## **Construction is imminent (Work is to begin within the year)**

## Projects Under Construction

**San Marco Avenue (U.S. 1), West San Carlos Avenue and May Street (A1A) Intersection** project began October 30, 2017 and is scheduled to be complete in fall 2020 at a cost of \$3.5 million. Project includes widening and reconfiguring the intersection, installing HAWK (High-intensity Activated crosswalk) pedestrian signals at May Street, adding right and left turn lanes, synchronized traffic signals, and sidewalks on both sides of West San Carlos Avenue. Petticoat-Schmitt is the contractor and Taylor Byrd is the FDOT Project Manager. A Construction Open House was held Wednesday, August 16, 2017 4:30-6:30 p.m. in the Alcazar Room in the City of St. Augustine's City Hall, 75 King Street. In addition, project updates were provided at the S.R. 5A/San Marco Avenue resurfacing open house. (4345561)

**May Street (A1A) Drainage** improvements from San Marco Avenue to Magnolia Avenue (.4 mile). Includes replacing the water pipe on the north side of May Street. Petticoat-Schmitt is the contractor and Taylor Byrd is the FDOT Project Manager. The project began in May 2019 and is scheduled to be completed in fall 2020. A Construction Open House was held Wednesday, August 16, 2017 4:30-6:30 p.m. in the Alcazar Room in the City of St. Augustine's City Hall, 75 King Street, in conjunction with the intersection project. (2104524)

**State Road 16 lighting** Lighting improvements from County Road 16A to Verona Way and from County Road 208 to Collins Avenue. The \$4.8 million roadway lighting project began in mid-April 2019 and is scheduled to be completed in late 2020. Donnie Devenny is the FDOT Project Manager. (4376301)

**U.S. 1** Sidewalk construction from Fairbanks Street to Big Oak Road at an estimated cost of \$3.4 million. The project began in late February 2020 and will be completed in spring 2021. (4360231)

**U.S. 1** Resurfacing from Ponce De Leon Boulevard to Cross Ridge Drive at estimated cost of \$19 million. The project began in late February 2020 and is scheduled for spring 2021. Drainage improvements also included from Gun Club Road to Renoir Boulevard at estimated cost of \$4.7 million. (4393551)

**I-95** Resurfacing from Flagler County line to State Road 207 at estimated cost of \$35 million. Project bids in February 2020. (4346191)

## **Construction is Imminent (Work is to begin within the year)**

**State Road A1A** Hospital Creek Bridge rehabilitation project is scheduled to begin in September 2020. The CEI is Don Buwalda and the Vineesh Crawford is the Project Manager. The \$1.2

million project is scheduled to begin in September 2020 and be completed by summer 2021. (4320481)

**Projects in Five-Year Work Program  
(Adopted Work Program of 2018-2022)**

**I-95 Express/Managed lanes** from International Golf Parkway to the Duval County line (8.6 miles). In the design stage. Project bids in August 2024. Public Meetings were held November 5, 2015 and March 10, 2016 from 4:30-6:30 p.m. at the Renaissance World Golf Village Resort. (4240264)

**King Street (State Road 5A) Bridge Replacement** Replace two-way bridge over the San Sebastian River. Currently in the PD&E (Project Development & Environmental) study phase. No design or construction funds. Michael Brock, FDOT PD&E. (4374281)

**State Road 207 Mussallem Tract Trailhead** Build bicycle and walking path trailhead on the Mussallem Tract located west of I-95 to connect to the State Road 207 Rail Trail at estimated cost of \$990,000. This project is unfunded at this time. (4340131)

**State Road 313** New roadway from State Road 207 to U.S. 1. Construction estimated at \$75 million. Public meeting held January 12, 2012. Project bids in October 2022. Leigh Ann Bennett is the FDOT project designer and Donnie Devenny is the FDOT project manager. (2102302)

**U.S. 1** Update traffic signals from Lewis Point Road to State Road 207 (2 miles) in August 2021 at estimated cost of \$1.8 million. (4324061)

**U.S. 1** Resurface/concrete removal from State Road 207 to the St. Augustine City Gates at estimated cost of \$14.2 million. Project bids in September 2020. The project is scheduled to begin in December 2020. Victor Marrero and Steve Spittle are the project/design managers. Eric Shimer is the Design PM. A public hearing was held Monday, November 18 from 4 to 6 p.m. at the St. Johns Health Building, Muscovy Conference Room 200 San Sebastian View, St. Augustine, FL to discuss proposed median closures and installation of bicycle lanes. (4361681)

**Projects Under Consideration**

**King Street (State Road 5A)** Design to make drainage improvements from Malaga Street to Avenida Menendez (A1A) (.6 mile) is underway. (4308971)

**King Street (State Road 5A)** Study to determine improvements from the Bridge of Lions to Charlotte Street is underway. (4282712)

**First Coast Expressway (State Road 23)** Design to construct new four-lane limited access toll facility between Blanding Boulevard (State Road 21) to I-95 with a new bridge crossing the St. Johns River is underway. Construction is scheduled to begin in 2023. Public information meetings held Nov. 1, 2005 in St. Johns County and Nov. 3, 2005 in Clay County. Public hearings held Feb. 22, 2010 in St. Augustine, Feb. 25, 2010 in Orange Park, March 2, 2010 in Green Cove Springs and March 4, 2010 in Jacksonville. A public information meeting was held December 10, 2015 in Green Cove Springs. [www.FirstCoastExpressway.com](http://www.FirstCoastExpressway.com). Amy Williams, Project Manager. (4229387 and 4229388)

**W Castillo Drive/Ripley's & South Castillo Drive/San Marco Avenue (SR 5A)** Traffic signal updates for an estimated \$438,000. (4412821)

### **Recently Completed Projects**

**State Road 5A (San Marco Ave/A1A)** Resurfacing from King Street to State Road 16/Picolata Road at estimated cost of \$1.8 million. Duval Asphalt is completing the 270-day project, which began early September. The project was completed in August 2019. Renee Brinkley is the FDOT Design Manager and Steve Spittle is the FDOT Project Manager. CEI is A&E Engineering. A public meeting was held Tuesday, July 25, 2017 at Flagler College Student Center, Virginia Room, 40-50 Sevilla Street, from 4:30-6:30pm. A public open house was also held Monday, April 30, 2018 at the St. Augustine Main Public Library, from 4 p.m. to 6 p.m. (4361611)

**State Road A1A at Euclid Avenue** Installed a turn lane. Project began in January 2017 and was completed in June 2017. FDOT push-button safety project. (4318202)

**State Road A1A** Update traffic signals and improve crossings at five intersections from PGA Tour Boulevard to Ponte Vedra Lakes Boulevard (3.2 miles) at a cost of \$1.6 million. Intersection improvements at State Road A1A and Country Club Boulevard/PGA Tour Boulevard, L'Atrium Circle, Executive Way, Marlin Avenue and Ponte Vedra Lakes Boulevard include the installation of upgraded traffic signals and new mast arms, countdown pedestrian timers and enhanced crosswalk striping. Project began September 26, 2017 and was completed June 21, 2018. Florida Safety Contractors is the contractor and Steve Spittle is the FDOT project manager (4324051)

**State Road A1A Resurfacing from Vilano Beach to Ponte Vedra** Resurfacing fifteen miles of roadway from north of Carcaba Road to south of Mickler Road/Ponte Vedra Boulevard. The project included removing rumble stripes from the shoulder and center lines and widening bicycle lanes from 5-feet to 6-feet where possible. Halifax Paving, Inc. was the contractor. The \$2 million project began April 3 and was completed in July 2017. (4395541)

**State Road A1A from Summerhaven to north of Marineland** Restore and replenish ditch lining and construct and restore washed-away bank and shore caused by Hurricane Matthew at estimated cost of \$823,000. The project began January 8, 2018 and was completed in May 2018. Donnie Devenny is the FDOT project manager. (4396403)

**I-95** Installation of Intelligent Transportation System (ITS) from U.S. 1 to north of County Road 210. SICE, Inc., of Miami, began the project on January 4, 2016 and completed it February 21, 2017 at a cost of \$6,409,349.44. (4274761)

**State Road 9B (Phase 3)** Building new four-lane roadway from the I-95 interchange in Duval County to St. Johns Parkway/County Road 2209 in St. Johns County. The project includes the construction of a connector road, Peyton Parkway, linking Race Track Road to 9B and a pedestrian walkway over St. Johns Parkway. Superior Construction Company Southeast of Jacksonville and Arcadis began construction in August 2015 and is scheduled to open late summer at a cost of \$79,760,041.11. The project was accepted in January 2019. Rob Hansgen (904-866-7210) and Tim Thacker (904-652-8566) of England-Thims & Miller are the CEI project managers; Jeff Williams is the FDOT Project Manager. (4314182)

**State Road 16** Installation of Intelligent Transportation System (ITS) from I-95 to U.S. 1 and from U.S. 1 to West Castillo Drive. SICE, Inc., of Miami, began July 24, 2016 and completed it March 2, 2017 at a cost of \$1,048,048.00. (4372661)

**State Road 206 - Crescent Beach Bridge** Painting and repairs. Rehabilitation and repairs, including spot painting and miscellaneous steel repairs. The \$606,000 project started July 11, 2017 and was completed November 27, 2017. (4304491)

**State Road 207 Crossroads Trailhead** Construct multi-use path trailhead (restroom facility and picnic tables) south of Vermont Heights at the Old State Road 207 crossroads at a cost of \$1.6 million. The project began August 16, 2017 and was completed July 3, 2018. MAER Homes was the contractor and Taylor Byrd is the FDOT project manager. (4354391)

**State Road 207** Construction of trailheads for the bike path/trail in Armstrong began in October, 2016 and was completed February 1, 2017 at a LAP (Local Agency Program) cost of \$305,000. (432257)

**State Road 207 Rail Trail – Hastings to Spuds** Construct a multi-use path at a cost of \$3.1 million. Project includes bike/path crossing across State Road 207 in Spuds with HAWK (High-intensity Activated crossWalk) pedestrian signals. The project began September 5 and was completed in late December 2018. Morrison Cobalt JV is the contractor, GAI is the CEI and Donnie Devenny is the FDOT Project Manager. (2102868)

**State Road 207 Rail Trail – Putnam County Line to Hastings** Construct a multi-use path at a cost of \$1.7 million. The project began September 5 and was completed in late December. Morrison Cobalt JV is the contractor, GAI is the CEI and Donnie Devenny is the Project Manager. (4357961)

**State Road 207** Landscape from the old State Road 207 east curve to the old State Road 207 west curve at an estimated cost of \$209,000. Florida Green Keepers LLC began in October 2018 and was completed in November 2018. FDOT PM Vineesh Crawford and CEI Mark Hosch with TEG. (4324481)

**State Road 207** Resurfacing from Old Hastings Road at the Putnam County line to Cowpen Branch Road in St. Johns County (3 miles). Includes bicycle lanes, bicycle keyhole lanes, rumble stripes on shoulder lines, and upgrading northern and southern approaches of the Deep Creek Bridge. Halifax Paving, Inc. of Ormond Beach is the contractor. Donnie Devenny is FDOT project manager. The project began in May 2016 and was completed March 13, 2017 at a cost of \$4 million. (4322641)

**State Road 207** Constructed Hastings multi-use path trailhead (restroom facility, parking, picnic pavilions, etc.), connecting bike lanes and paths along State Road 207, and to the St. Johns River to Sea Loop Trail. Cost is \$955,122. Florida Safety Contractors, Inc. of Jacksonville is the contractor and Taylor Byrd is the FDOT project manager. The project began October 26, 2016 and was completed July 17, 2017. (4322561)

**State Road 312** Resurface from U.S. 1 to State Road A1A and installation of a high-visibility pedestrian crosswalk at A1A Beach Boulevard and Santander Street (Rectangular Rapid Flash Beacons) at estimated cost of \$2.8 million. The project began in January 2017 and was completed July 11, 2017. Hubbard Construction was the contractor. (4323131)

**U.S. 1 at Ray Road** Traffic signals and intersection improvement at cost of \$458,000. Project included the installation of new traffic signals, pedestrian signals, crosswalk, striping and traffic detection loops in the roadway. The project began in May 2017 and was completed in August. (4375591, 4093114, 4410221)

**U.S. 1 at State Road 206** Realignment of existing off-set turn lanes and installation of cross-drains in the medians. Project began in January 2017 and was completed in June. FDOT push-button safety project. (4318202)

**U.S. 1** Sidewalk installation on the east side of U.S. 1/Philips Highway from the Northrup Grumman entrance to Stokes Landing Road (three miles) at cost of \$928,000. A.W.A Contracting is the contractor; AE Engineering is the CEI and Donnie Devenny is the FDOT project manager. Project began late January and will be completed in summer 2018. (4360101)

**U.S. 1** Resurface from Flagler County line to State Road 206 at estimated cost of \$7.7 million. Project began in late July 2019 and was completed spring 2020. (4376171)

**State Road 207** Resurfacing from State Road 206 to where curb and gutter at Vermont Boulevard completed with an estimated cost of \$9.5 million. Project began in December 2019 and was completed in summer 2020. (4393481)
